

**ScanMaster from StoreNext.**  
**YOU'LL FIND A BAGFUL OF NEW CAPABILITIES.**

ScanMaster is now available **ONLY** from StoreNext authorized dealers. So are more than 40 new improvements.

Like a touch-screen monitor that's easier to learn, easier to use and very cost-effective. Like PocketOffice, a mobile-computing option that helps you and your employees get out of the office and into the aisles – where your customers are. And many more exciting enhancements are planned!

Why consider anything else when ScanMaster is the proven, feature-rich and hassle-free POS solution for today... and the future. Take the next step by contacting your StoreNext ScanMaster Dealer today. Or call StoreNext at 1.800.298.0151 x 811 for a comprehensive ScanMaster information kit.
